CREATED WITH LOVE, CRAFTED IN YORKSHIRE

We believe dogs are core family members.

Many enjoy their companionship, going for walks, playing and even talking to them. Like we do, our dogs love getting treats. Sometimes they can be a reward for good behaviour, and sometimes they're just to make our dogs feel happy.

With the advice of veterinary experts, we've designed a pawlicious menu for dogs, and our pet friends have given it the paws up. The next time you treat yourselves or the family to an evening in with Village Pizza, your four-legged loved ones can share the experience with you too!

All our Paws boxes come with a classic base of natural dry dog food, made with no artificial colours or flavours, no dairy, no soya and no added wheat. Finished with a sprinkle of pooch friendly gravy seasoning.
